To,
Mr. Ravi Misra,
TPT Productions Pvt Ltd.
Mumbai.

Subject: Appreciation Letter

We wish to put in record and extend our appreciation for your support in designing and execution of our stall at ICERP 2011.

The quality of interaction with TPT staff throughout and the final delivery was outstanding. Personal involvement of senior executives was most satisfying as a client.

We admired the keenness with which the ownership of the project was shared. In the end it was a job well done which not only met our expectation but went beyond.

We certainly look forward to working again with you and your team.

Your's Sincerely
