TO WHOM IT MAY CONCERN

We had utilised the services of **TPT Productions Pvt. Ltd.** Mumbai for our stand design and fabrication for the PALM India Expo 2011, Mumbai held from Jun 2~4, 2011.

We are extremely pleased with the services rendered and the degree of professionalism and attention-to-detail that was provided in the scope of work. Mr Ravi Misra was more than helpful at all occasions and we are absolutely resolute that henceforth TPT Productions will be our vendor of choice for future events.

Needless to say, TPT Productions come highly recommended by us.

With every good wish,
